March 2017

Two coastal access reports issued

On Thursday 30 March 2017 Natural England submitted to the Secretary of State two reports with its proposals for coastal access for:

- a. the 68 miles (109 km) stretch of the coast between Kingswear and Lyme Regis, Dorset; and
- b. the 24 miles (39 km) stretch of the coast between Maldon and Salcott, Essex.

In accordance with the requirements set out in the Marine and Coastal Access Act 2009 Natural England has published the two reports which are available on the gov.uk website:

- a. Kingswear and Lyme Regis [report](#); and
- b. Maldon and Salcott [report](#).

Representations and objections on each of these reports must be received by Natural England on Thursday 25 May 2017.

All objections and representations will be considered before the Secretary of State makes her final decision about the coastal access proposals in these reports.

If you have any queries about any of the issues above, please email us at: coast.consultation@defra.gsi.gov.uk.
