

Government
Equalities Office

HOLD THE DATE: GEO annual consultation event – 7 October 2016

We would like to ask you to hold the provisional date for our annual consultation event which is taking place on 7 November at The Westminster Conference Centre in central London.

As you know, we now have a new Secretary of State for Education and Minister for Women and Equalities, Justine Greening MP, who alongside Caroline Dinenage MP, Parliamentary Under Secretary of State for Women, Equalities and Early Years, who many of you met last year, will be taking forward the Government's agenda on gender equality.

This will be a unique opportunity to influence government policy and share your views on gender equality in the UK. We are building a programme which we hope you will find interesting and that will facilitate conversation on national and international developments.

We kindly ask you to circulate this notice to your networks and we look forward to seeing you there! We will send the registration page for the event closer to the date.
