## **East Head to Shoreham coastal access report issued**

On Wednesday 27 September 2017, Natural England submitted its report and proposals to the Secretary of State for coastal access for the 42 miles (69km) stretch of the coast between East Head and Shoreham, West Sussex.

In accordance with the requirements set out in the Marine and Coastal Access Act 2009 Natural England has published the [report](#) which is available on the Gov.uk website.

Representations and objections must be received by Natural England **no later than midnight on Wednesday 22 November 2017**. All objections and representations will be considered before the Secretary of State makes a final decision about the report.

## **Form for Orders under section 119 of the Highways Act 1980**

In the last Defra newsletter (Edition No.84) we incorrectly referred to the Highways Act 1990 – it should be the Highways Act 1980.
